

Questions for NEW Students Only

Instructions: (This information will be helpful to the instructors in preparing their workshops.) Answers must be typed and limited to two pages total. Describe your experience in the following areas below and duration for each category. Experience can include formal training. If you are employed in a shop, mention shop's name, location, and what your job is there. If you do not have experience in one of the areas listed below, type "none".

1. Experience in stringed instrument building and/or repair.

2. Experience in music performance and instruments played.

3. Experience in teaching music.

4. Experience in woodworking, metalwork, or related fields.

5. If no such experience in areas above, please describe other experience and education.

6. Explain why you are interested in attending this year's institute and what professional/personal goals this will help you meet.

7. Formal education (i.e., colleges attended, degrees received and major).
